

Shipowners' Club recognised as a 5 star Employer

LONDON, 7 SEPTEMBER 2022 – The Shipowners' Club, the leading P&I insurer in the smaller and specialist vessel sector, is delighted to announce it has been recognised as a 5 star Employer, after receiving positive feedback from employees through independent employee engagement experts WorkBuzz.

In July 2023, WorkBuzz invited all employees at Shipowners to provide confidential feedback about their employee experience (EX); ranging from their opinions on leadership and the organisational direction, to the efficacy of line managers, strength of teamwork, and how empowered individuals feel to do their roles.

Shipowners was awarded the WorkBuzz 5 Star Employer award, demonstrating their high levels of employee engagement, compared to other businesses of a similar size.

Steven Frost, CEO of WorkBuzz commented:

“At WorkBuzz we believe that exceptional employee experience deserves to be recognised and celebrated. Our five-star awards stand out because they are not a branding exercise. The Awards have a data-driven criteria and the results are powerful because they come straight from the horse’s mouth – the actual employees of each company who enter.

This award recognises the best workplace cultures where employees are proud to work, are motivated to do more, and want to stay for the foreseeable future. It’s a pleasure to partner with Shipowners, who truly care about their employees’ experience and have worked hard to ensure they create a culture where their people can thrive.”

The Club's CEO, Simon Peacock commented:

“Expert, energised and enthusiastic employees are a pre-requisite for an organisation to be successful. At the Shipowners’ Club we strive to create an environment where our employees can enjoy their work, and where they can thrive.

We are therefore delighted that our employees have reported back that they recognise the positive culture we are seeking to maintain and enhance. We are delighted with this five-star award and we are determined to build on it, for the benefit of our colleagues and of our insured Members.”

The awards will be given on an ongoing basis and are valid for 12 months from award.
