

Safety Culture: Safety Management System

As part of the Safety Culture series, the Club has been releasing a series of advisories in collaboration with industry experts. The objectives of this campaign include improving operational efficiency and promoting a healthy Safety Culture resulting in reduced incident rates.

The latest release in the series is a podcast where Bhaskar Nigam, the Club's Loss Prevention Manager, discusses with Rachit Jain, Managing Director at Safe Lanes Consultants Pte Ltd, how an effective Safety Management System contributes to a good Safety Culture.
