**NEW HEAD OF UNDERWRITING FOR THE LONDON BRANCH**

Following the implementation of our 8:8:8 strategy, with Club branches, separated by 8 hour time zones, now open in Vancouver as well as Singapore, we are pleased to announce that Ian Edwards will become Head of Underwriting for the London branch of the Club with immediate effect.

Ian will report to Simon Swallow, the Club's Commercial Director who retains his global responsibility to the Board for the Club's underwriting strategy and performance as well as reinsurance, together with our overall business development.

Ian will be supported in his role by the three London underwriting managers, Adam Howe, Mark Harrington and William Tobin.

Ian has been actively involved in all aspects of underwriting since he joined the Club in 1991. More recently Ian has been engaged in coordinating development of the Club's new underwriting system which will be finalised during the middle part of the year.

We wish him every success in his new role.
