POLICY

DIVE BOAT LIABILITY INSURANCE

POLICY

Who we are

We are The Shipowners' Mutual Protection and Indemnity Association (Luxembourg), a marine liability insurer, protecting the interests of dive boat owners and operators on a mutual basis. This means that we operate as a non-profit making Club.

Your policy documentation

When we insure you, you become a Member of the Shipowners' Club and you will receive a Certificate of Insurance setting out the scope of cover and risks insured. Subsequent amendments to cover will be documented by policy endorsements.

The protection we provide

You can expect us to respond to all marine liability claims made against you as the owner or operator of the vessel named on your Certificate of Insurance, other than those we list under 'What is not covered (exclusions)' and those claims which are unrelated to owning and operating the vessel we insure for you. Within your policy limits, the reasonable costs of investigating and defending claims are paid, too.

Your cover

We insure liability claims made against you as the owner or operator of the boat named on your Certificate of Insurance. The liabilities insured include:

Collision and property of others

Claims for collision damage to other vessels or for loss of or damage to piers, wharves, jetties, pontoons or any property belonging to others.

Claims from other parties for personal injury or death which arise out of a collision.

Contractual liabilities and indemnities

We cover contractual liabilities and indemnities for illness, personal injury, death or property damage when these relate to your boat and concern its operation and management. This includes indemnities given to travel agents, tour operators, port or harbour authorities, shipyards and suppliers of goods and services to your boat. We will also agree to waive our rights of subrogation, if this is required by the contract. This section insures liability which arises solely under contract and the limit of cover is US\$ 5,000,000 any one accident or incident. If we have agreed to a higher limit, this will be shown in your Certificate of Insurance.

Divers and guests whilst off the boat

If your dive boat's itinerary includes locations ashore or other places where divers or guests disembark temporarily and you remain responsible for them, your liabilities are covered.

You are covered for liability arising from seafarers, divers, guests or others crossing gangways, pontoons or walkways in connection with services you are providing.

You are also covered for liability arising after a recreational diving trip has taken place where divers elect to remain on board or go ashore in port to observe the mandatory No Fly Time after completing their last dive and before finally disembarking to return home.

Diversion costs

The extra costs and expenses of bringing sick or injured seafarers or others ashore for urgent medical treatment; arranging the repatriation of dead bodies from your boat or delays caused by awaiting replacements for sick or injured seafarers.

Fines

Fines for breach of pollution, smuggling or immigration laws, providing these were accidental or caused by your seafarer's independent actions or omissions.

We also cover fines due to an inadvertent breach of statutory health and safety regulations which apply to your boat.

Inquiries and criminal proceedings costs

The reasonable costs and expenses of protecting your interests at formal inquiries into a casualty and the reasonable costs of defending criminal proceedings brought against your Master, seafarers and agents, if you have a responsibility for them.

Mitigation costs

When an incident arises which will or is likely to lead to a claim under this policy, you are required to take reasonable steps to mitigate the loss and minimise the amount which would be paid as a claim under this insurance. We will reimburse the reasonable costs and expenses you incur for this purpose.

Personal effects

Claims for loss of or damage to personal effect including scuba gear and photographic equipment.

The maximum amount payable for a seafarer's personal effects will be limited to US\$ 20,000 per person, per claim.

Piracy

You remain covered for any of the claims listed here under 'Your cover' which arise following acts of piracy against your boat. Please note our exclusion in respect of kidnap and ransom demands contained in 'What is not covered (exclusions)' – exclusion 16 below.

Pollution and environmental liabilities

Pollution from your boat, including the cost of clean up and reasonable measures taken to prevent an imminent risk of pollution. Damage to coral reefs and other sensitive marine environments providing these occur as a result of an identifiable accident or incident. We also cover resulting governmental fines and penalties.

Quarantine costs

The extra costs and expenses you incur as a direct result of an outbreak of an infectious disease.

SCOPIC

We also provide cover for *your SCOPIC* liabilities when salvors choose to use *SCOPIC* with the Lloyd's Open Form (LOF).

Seafarers, divers, dive instructors, guests and others

Claims from *your seafarers* divers, *dive instructors*, *guests* or others for personal injury, illness or death including *claims* for *seafarer compensation and sickness benefits*. Related medical costs and other expenses are covered, too. We also cover *claims* made against *your seafarers* and *dive instructors* as a result of carrying out their professional duties.

Death and/or disability payments *you* provide under individually negotiated and agreed *Seafarers' Employment Agreements (SEAs)* or crew contracts should be reasonable and appropriate for the duties and position held by the *seafarer* when viewed against the prevailing compensation regime.

If your dive boat is subject to the provisions of the Maritime Labour Convention 2006, the terms and conditions of the insurance cover we provide is contained within a separate Cover Extension entitled "Maritime Labour Convention Certificates Clause" which is incorporated into this policy of insurance and which is accessible via our Maritime Labour Convention (MLC) 2006 Repository under <https://www.shipownersclub.com/mlc/>

Stowaways refugees and life salvage

Costs and expenses arising from stowaways, refugees and the saving of life at sea.

Supply and use of dive related products, air and gas.

If *you*, *your seafarers* or *diving instructors* supply dive related products and breathing air and gas for use during a *recreational diving* trip, we cover any dive related illness, personal injury, death or property damage which results. The limit of cover under this section is US\$5,000,000 per claim.

Tenders

Claims arising from the use of *tenders* and water sports equipment are covered, providing these arise from activities connected with *your boat*. To obtain cover for *tenders* which are registered separately from *your boat*, *you* must declare them to *us* and if *we* agree to insure them they will be covered under their own policy unless the separate registration was solely in order to comply with mandatory independent registration requirements in the United States of America (U.S.) or elsewhere.

Towage

Claims arising from towing.

Uninsured or underinsured boaters

If an *uninsured* or *underinsured* third party vessel is responsible for *you*, *your seafarers*, divers, *dive instructors* or *your guests* sustaining personal injury whilst on board *your boat* or its *tenders*, we agree to meet any medical costs or expenses which are not recoverable from them.

The limit of cover under this section is US\$ 5,000,000 per claim.

War risks (Primary or Excess)

This policy will pay *war risks claims* in excess of the policy *deductible* shown on *your Certificate of Insurance* if *you* have no other *war risks* insurance policy in place.

If *you* have purchased *war risks* insurance from other insurers, the amount recoverable under this policy will be the amount of any loss which exceeds the amount *you* can recover under that *war risks* policy or the insured value of *your boat*, whichever is greater.

Water sports

Claims arising from the use of *water sports equipment* belonging

to and carried by *your boat*.

Wreck removal

Wreck removal, marking or lighting costs which are compulsory by law following the loss of *your boat* including *claims* for the *extra cost and expenses* of removing property from the wreck. We insure the reasonable costs of disposing of the wreck. The residual value of any property recovered shall be deducted from or offset against *your claim*.

What is not covered (exclusions)

For any claim to be payable it must arise from an *incident* which occurs during the period of insurance stated on *your Certificate of Insurance*. It is a requirement of this policy that *you* use *your boat* for lawful purposes; otherwise *your liabilities* may not be covered. In addition, *we* do not pay *claims* for or arising from the following:

1. **Chartering** If *you* make *your boat* available for hire or reward to other parties and *your master* and crew remain on board and in command, *your liabilities* are covered, however this policy does not insure *you* when *you* act as a time or voyage charterer of vessels which *you* do not own and it does not insure the liabilities of *your charterers*, unless they are a bareboat charterer who *we* have agreed to name on *your policy*.
2. **Chemical, biological, bio-chemical or electromagnetic weapons.**
3. **Cyber risks.** The use or operation, as a means of inflicting harm, of any computer, computer system, computer software programme, malicious code, computer virus or process or any other electronic system.
4. **Commercial diving.** *Claims* arising from *commercial diving* or the use of diving bells.
5. **Contractual liabilities and indemnities** other than those relating to illness, personal injury, death or property damage
6. **Deductibles** which *you* are required to bear under other policies.
7. **Delay.** Costs and expenses which arise because *your boat* has been delayed, other than amounts recoverable under the diversion costs section of *your policy*.
8. **Disputes** over contractual liabilities or obligations; or disputes or proceedings over obstruction or interference with *your boat's* operations.
9. **Disputes** between named parties. *We* do not support *Assureds* or *Joint Assureds* in dispute with each other, or *Co-Assureds* in dispute with *Assureds* or *Joint Assureds* under the same policy.
10. **Dive accident and travel insurance.** *We* do not pay *claims* which would be insured under a dive accident or travel insurance policy, unless *you* are liable for the *incident* and it arises as a result of owning and operating *your boat*.
11. **Dive centres.** *We* do not cover *claims* which would ordinarily be recoverable under a dive centre liability policy.
12. **Dive schools.** *We* do not cover *claims* which arise from giving instruction or advice as part of a dive training course at a dive school or similar establishment ashore.
13. **Environmental damage** arising from *your* continuing use of or presence at a coral reef or other sensitive marine environment.
14. **Fines or penalties** arising from overloading *your boat*, illegal fishing, carrying contraband or blockade running.

15. **Illegal payments of any kind** such as extortion, blackmail or bribery or any associated costs or expenses
16. **Instruction or advice.** We do not cover *claims* for inadequate dive instructions or dive advice, except for *incidents* occurring during recreational dive trips which *you* supply.
17. **Kidnap and ransom** demands or payments.
18. **Motor vehicles:** *Claims* arising from the use of mechanically powered vehicles whilst ashore.
19. **Non-compliance.** If *you* know or should reasonably have known that *your* boat is not in compliance with the requirements of her Flag State, certifying authority or classification society for any reason whatsoever, *claims* which arise as a result will not be payable.
20. **Nuclear risks** or claims arising from radioactivity.
21. **Other insurances.** If *you* are insured under an insurance policy from which a claim can be recovered for any of the sections of cover detailed above, this policy will not pay such *claims*, regardless of whether the other policy includes a provision similar to this. Examples of Other Insurance *claims* we would not pay include those which fall under policies for Aviation risks, Builders risks, General Liabilities, Hull and Machinery, Motor Vehicles, Public or Products liability, Professional Indemnity, Travel Polices and/or *War risks*.
22. **Own property.** Loss of or damage to owned or leased property of yours including *your* boat.
23. **Personal effects** of *seafarers*, divers, *dive instructors* or *guests* which are cash, precious metals or stones or other objects of a rare or precious nature.
24. **Punitive damages** or exemplary damages however described, imposed by a court in the U.S.
25. **Sale or supply** of non-dive related products.
26. **Salvage services** to *your* boat or demands for general average payments and any related disputes.
27. **Sanctions.** We do not pay *claims* which would expose *us* to any sanction, prohibition or restriction under United Nations resolutions or the trade or economic sanctions, laws or regulations of the European Union, the United Kingdom or the U.S. Furthermore, we are not liable to pay any claim to *you*, in full or in part, if we are unable to make a recovery from *our* reinsurers in respect of that claim, due to sanction restrictions placed on one or all of *our* reinsurers.
28. **Seafarers' claims exclusions.** We do not pay *seafarer* annuities, retirement accounts or pension contributions. If injured parties are entitled to receive compensation for personal injury or sickness benefits under a mandatory state or national insurance scheme, we are not obliged to pay such *claims*. This exclusion applies even if *you* or the injured parties have failed to take the steps necessary to receive such entitlements. We do not pay *claims* for or arising out of disputes with *seafarers* over contractual liabilities or obligations. We do not pay *Employment Practices liability claims*.
29. **Sports or activities** other than swimming, snorkelling or diving whilst divers or *guests* are off *your* boat.
30. **Submarines.** mini subs or remotely operated vehicles (ROVs).
31. **Surveys and management audit defects.** *Claims* which arise out of defects identified during a survey and/or management audit are not payable.
32. **Technical diving**
33. **Time Bar.** We do not pay *claims* arising from the loss or wreck of a vessel once two years have elapsed from the date of the loss or wreck.
34. **Unlawful purposes,** including carrying contraband, blockade running, illegal fishing, or being employed in an unlawful or prohibited activity or trade. This would include any activity or trade where granting *you* cover or paying *you* a claim would risk exposing *us* to any sanctions, prohibitions or restrictions under United Nations resolutions or the trade or economic sanctions, laws or regulations of the European Union, United Kingdom or U.S.
35. **Wilful misconduct,** including *your* infringement of any law, rule or regulation, or permitting any activity on board or in connection with *your* boat which is unsafe or unduly hazardous.

If we have agreed to insure any of the risks which we say we do not cover, it will be shown on *your* Certificate of Insurance.

General conditions

Assignment

You cannot assign *your* policy to any other person other than with *our* prior written approval.

Cancellation and termination

You may cancel cover at noon GMT on the renewal date of any year by giving *us* not less than 30 days' prior written notice of cancellation. We may, at any time, cancel this policy by giving *you* not less than 30 days' notice in writing and we may at *our* option give *you* 7 days' notice of cancellation at any time to discontinue cover for *war risks*.

In the absence of a notice of cancellation, the insurance which we provide to *you* will either terminate upon the date shown on *your* Certificate of Insurance or automatically and without further notice upon:

- The sale or transfer of *your* boat to new owners.
- A change of management company, if *your* boat is under professional management.
- The boat becoming an actual or constructive total loss.
- *Your* bankruptcy or insolvency.
- Or if we are prohibited from insuring *you* under United Nations Resolutions or the trade or economic sanctions, laws or regulations of the European Union, United Kingdom or the U.S.

Your cover for *war risks* will terminate automatically should war break out between any of the following countries: the United Kingdom, the United States of America, France, the Russian Federation and the People's Republic of China.

We may give *you* notice whenever we believe that continuing cover with *you* may expose the Club or any of its Members to sanction, prohibition or adverse action from the United Nations or the European Union, United Kingdom or United States of America or *you* use any of *your* vessels for a prohibited or unlawful activity or trade.

Termination of cover shall, upon *our* discretion, also apply to *Joint Assureds* and *Co-Assureds*.

When cover is terminated *you* will be entitled to a daily pro rata return of premium other than when we have paid a wreck removal *claim* following the total loss of the boat. If *your* policy is cancelled for non-payment of premium and part of the premium due has been paid by instalments, no return of premium is payable.

Claims

If a claim is made against *you*, *you* must follow the claims handling procedure set out at the end of this document. If *you* fail to do so *your* ability to claim may be affected.

Classification, Certifying Authority or Flag State

Your boat must maintain the Class, Certifying Authority or Flag State certification that it has at the time *we* agree to insure it. Any lapse in or loss of such certification must be notified to *us* immediately and may prejudice *your* ability to claim under the insurance.

Complaints

We take all complaints seriously. If *you* are dissatisfied with *our* handling of *your* claim or any other aspect of *your* insurance or the service *we* provide, please contact *us*. *Our* complaints handling policy is detailed on *our* website at: www.shipownersclub.com/other/complaints-handling-policy.

Dispute resolution

In the unlikely event that *we* cannot resolve *your* complaint satisfactorily, the matter will be referred to arbitration in London, one arbitrator to be appointed by *us*, one by *you*, and a third to be appointed by the arbitrators. The reference to arbitration and the arbitration proceedings themselves will be subject to the provisions of the Arbitration Act 1996 and any statutory modification or re-enactment of the Act.

Governing law

You and *we* agree that *your* policy is governed by and will be construed in accordance with English law. In particular, it is subject to and incorporates the provisions of the Marine Insurance Act 1906 and the Insurance Act 2015 and all amendments thereto except to the extent that such Act or modification may have been excluded by this policy or any contract of insurance between *us* and any insured party. It is not intended that rights should be acquired by any third party by reason of the Contracts (Rights of Third Parties) Act 1999 or any similar legislation in any jurisdiction.

Joint Assureds and Co-Assureds

We may agree to insure *your* boat in the name of more than one person or company and to note them on *your* Certificate of Insurance as *Joint Assureds*. In these circumstances, the person or company noted as 'The Member/Assured' on the Certificate of Entry is referred to as the Assured and all others are Additional Assureds; collectively *Joint Assureds*. The terms and conditions of the policy (including premium payment obligations) apply equally to all. An act, omission, statement or *claim* of any *Joint Assured* similarly affects all of them. *We* direct all correspondence to the Assured, who receives it on behalf of all *Joint Assureds*.

Whenever *you* have a liability which is recoverable from *us* but the *claim* for that liability is made against another person or company who appears on *your* Certificate of Insurance as a *Co-Assured*, rather than a *Joint Assured*, *we* will reimburse *claim* payments made by that *Co-Assured*, up to the limit of *your* liability for those payments. Unlike *Joint Assureds*, *we* do not insure the liability of *Co-Assureds* and as such they do not have premium payment obligations. *We* will not subrogate against *Co-Assureds* for *claims* which *we* pay due to *your* liability.

When *we* pay a claim to any one of the *Joint Assureds* or *Co-Assureds*, *we* have discharged *our* liability to all of them in respect of that *claim*.

Lay up

We do not return premium for periods of lay up notified in arrears.

Material facts

You have a duty to make a fair presentation of the risk, by disclosing all material matters which *you* know or ought to know or, failing that, by giving *us* sufficient information to put *us*, as a prudent

insurer, on notice that *we* need to make further enquiries in order to reveal material circumstances. If *you* fail to do so *your* ability to recover a claim from *us* may be prejudiced.

Premium

Your insurance premium will be fixed annually and no further premium will be payable, unless *you* ask *us* to extend *your* insurance cover or the material facts upon which *we* base the cover change. *You* must pay *your* premium in such instalments and on such dates as *we* have specified, otherwise *we* will not pay *claims* and *we* may cancel *your* insurance policy. *We* are entitled to call upon *Joint Assureds* to settle any unpaid premiums.

Security

Where *we* consider it appropriate and necessary *we* may provide letters of undertaking, bonds or bank guarantees on *your* behalf, as security for covered *claims*, providing *you* have paid any *claims deductible* which is due to *us*.

Severability clause

In the event that a court or tribunal finds any part of this policy to be unenforceable, invalid or to be in conflict with any mandatorily applicable statute or law, or public policy, such part shall be severed and such a finding shall not affect the enforceability, validity or legality of the remainder of the policy, which shall remain in full force and effect.

Surveys and management audits

We may at any time appoint a surveyor, at *our* cost, to inspect *your* boat. *We* may also wish to perform a Management Audit of *your* shore side operation. If such an inspection or audit identifies defects in *your* boat and/or *your* management systems, *we* may require that *you* remedy them as directed at that time.

Claims handling procedure

If *you* are involved in an *incident* which could give rise to a claim, please refer to *our* website for the contact details of *our* claims team; www.shipownersclub.com/insurance or in an emergency contact *our* 24hr emergency response line:

24/7 EMERGENCY RESPONSE

The *claims* response service is available 24 hours a day, 7 days a week and provides immediate global assistance to all of *our* Members.

Calling the emergency contact number provides a quick and effective way to speak directly to a duty Shipowners' claims handler in the event of an *incident* or *casualty* involving an entered vessel.

London Branch

+44 203 829 5858

Singapore Branch

+65 8683 3190

During office hours the emergency number will redirect to the relevant corresponding office switchboard.

Immediate advice and local assistance is also available from *our* Correspondents who are listed at:

www.shipownersclub.com/correspondents

It is important that *you* contact *us* or *our* local Correspondent promptly, so that *we* can assist *you*. The earlier *we* are involved the better. *You* are required to act prudently and as if *you* are uninsured until such time as *we* have taken over the handling and management of the *incident*.

When reporting a claim it will help *us* if *you* include *your* boat's

name, the *incident* date, the nature of the *incident*, the location of *your* boat and location of the *incident* (if different). If an injury or collision is involved *you* may be required to notify the appropriate authorities.

We have the right to handle, settle or compromise *claims* or proceedings as *we* see fit. We may appoint lawyers, surveyors or other persons when *we* consider these are necessary. They may report to *us* and provide documents or information to *us*, without prior referral of these matters to *you*.

When it is possible for a dive boat owner to limit their liability at law, that sum becomes the maximum amount recoverable under this policy and will apply regardless of whether *we* insure *you* as the owner of the boat or in some other capacity.

You must not admit liability for any claim and *you* must not settle a claim without *our* prior approval. *You* must also preserve any rights *you* may have to limit *your* liability and any rights *you* may have against any third party. If *you* admit liability, settle or fail to preserve *your* limitation rights, *your* claim may be rejected or reduced. If *we* pay the claimant, *you* or *your* nominated broker, manager, agent or some other person whom *you* nominate, *our* liability shall be fully discharged.

Please note that the use of *italic* text in this policy indicates that the word or phrase is defined in the clauses. Words in the singular shall include the plural and vice versa.

Casualty means an *incident* affecting the physical condition of *your* boat so as to render it incapable of safe navigation to its intended destination, or which creates a threat to the life, health or safety of *your seafarer* or *guests*. Claims means liability *claims* made against *you* as a result of owning or operating the boat named on *your* Certificate of Insurance.

Co-Assured means persons or companies other than *you* who are entitled to the protection of the policy when held responsible for liabilities which properly belong to *you*. Unlike Assureds and *Joint Assureds*, *Co-Assureds* are not Members of the Shipowners' Club and have no independent right of recovery under the policy for their own liabilities. They have no obligation to meet any unpaid premiums due under the policy.

Commercial diving means diving for purposes unconnected with the provision of *recreational diving*, such as salvage, construction, and wreck inspection or similar.

Deductible means the initial amount *you* have to pay yourself before the insurance policy will respond to a loss under a policy. Some policies refer to this as an excess. For the purposes of this policy, the words *deductible* and *excess* in this context have the same meaning.

been carried on *your* boat under a contract of carriage for reward. This definition also includes passengers.

Incident means an accident relating to the operation or use of *your* boat. A series of *incidents* which have the same cause will be treated as one *incident* and for the purpose of *claims'* settlements one *claims* excess will apply.

Joint Assured means a person or company eligible to be a Member of the Shipowners' Club and who is insured under the same policy with other eligible persons. The policy provides cover to *Joint Assureds* on the same terms and conditions as apply to *you*. They have joint and several liability for premiums payable.

Nuclear risks means any loss, damage or expense due to or arising out of, directly or indirectly, nuclear reaction, radiation or radioactive contamination regardless of how it was caused.

Pollution means the accidental discharge or escape of oil or other substances from *your* boat.

Recreational diving means scuba diving in open water with conventional diving equipment within the limits set by a recognised *recreational diving* association. It includes penetrating overhead environments, using specialised equipment and breathing gases or standard nitrox providing divers are certified by a recognised diving association to engage in these activities at the time of the *incident*.

SCOPIC means Special Compensation P&I Club Clause.

Seafarer means any person engaged or employed in any capacity in connection with *your* boat, whether on board or proceeding to or from *your* boat or on ship's business. *Seafarer* does not mean vessel brokers or vessel agents or those supplying services to *your* boat.

Seafarer compensation and sickness benefits are those payable under *Seafarer* Employment Agreements (SEAs) or other *seafarer* employment contracts, collective bargaining agreements or where the state requires employers to pay compensation or sickness benefits for personal injuries in the absence of a mandatory state scheme.

Subrogation means a right which *we* may acquire as insurers to pursue other persons for reimbursement of *claims* *we* have paid.

Tender means the boat or boats which are registered to *your* boat.

Underinsured third party vessel means a third party vessel whose owner or operator has insufficient insurance to cover medical costs and expenses of *your seafarer* or *guests*.

Uninsured third party vessel means a third party vessel which collides with *your* boat and which fails to stop and identify itself afterwards or a vessel whose owner or operator has no vessel liability insurance or whose liability insurer denies cover or becomes insolvent.

War risks means liabilities incurred as a result of war, civil war, revolution, rebellion, insurrection or resultant civil strife or any hostile act by or against a belligerent power or by any act of terrorism; capture, seizure, arrest, restraint or detainment; mines, torpedoes, bombs, rockets, shells, explosives or similar weapons

of war.
