

▶ PASSENGER VESSEL LIABILITY INSURANCE POLICY 2021.1 SHIPOWNERS - EFFECTIVE 20TH FEBRUARY

Who we are

We are The Shipowners' Mutual Protection and Indemnity Association (Luxembourg), a marine liability insurer, protecting the interests of *passenger* vessel owners and operators on a mutual basis. This means that We operate as a non-profit making Club.

Your policy documentation

When We insure You, You become a Member of the Shipowners' Club and You will receive a Certificate of Insurance setting out the scope of cover and risks insured. Subsequent amendments to cover will be documented by policy endorsements.

The protection we provide

You can expect Us to respond to all marine liability *claims* made against You, other than those We list under 'What is not covered (exclusions)' and those claims which are unrelated to owning and operating the vessel We insure for You. Within Your policy limits the reasonable costs of investigating and defending *claims* are paid, too.

For any *claim* to be payable it must arise from an incident which occurs during the period of insurance stated on Your Certificate of Insurance.

Your cover

We insure liability *claims* made against You as the owner or operator of the vessel named on Your Certificate of Insurance. The liabilities insured include:

Collision and property of others

Claims arising from collision with other vessels whether or not contact occurs, or for loss of or damage to piers, wharves, jetties, pontoons or any property belonging to others.

Claims from other parties for personal injury or death which arise out of a collision.

For damage to property belonging wholly or in part to You, You shall have the same rights of recovery and We shall have the same rights as if such property belonged to different owners.

Contractual Liabilities and indemnities

Subject to approval from the Managers. We cover contractual liabilities and indemnities for illness, personal injury, death or property damage when these relate to Your vessel and concern its operation and management.

This includes indemnities given to travel agents, tour operators, port or harbour authorities, shipyards and suppliers of goods and services to Your vessel. We will also agree to waive Our rights of subrogation, if this is required by the contract. This section insures liability which arises solely under contract and the limit of cover is US\$ 5,000,000 any one incident. If We have agreed to a higher limit, this will be shown in Your Certificate of Insurance.

This section does not include cover for contractual liabilities or indemnities which may appear in seafarer contracts.

Diversion costs

The *extra costs and expenses* of fuel, insurance, wages, stores, provisions, and port charges incurred in diverting and awaiting crew replacement whilst *Your* vessel brings sick or injured *seafarers* or others ashore for urgent medical treatment; or to arrange the repatriation of dead bodies from *Your* vessel or delays caused by awaiting crew replacements for the above.

Fines

Fines imposed on *You* or any *seafarers* that *You* are obliged to reimburse for accidental escape or discharge of oil or other substances from *Your* vessel, breach by *You* of any immigration law or regulation, and smuggling or breach by the Master or *seafarers* of any customs law regulation.

Infectious Disease on board your Vessel

Additional expenses incurred by *You* as a direct result of an outbreak of infectious disease on board *Your* vessel, including quarantine and disinfection expense, and the net loss to *You* (over and above *Your* expenses absent the outbreak) in respect of fuel, insurance, wages, stores, provisions and port charges.

Inquiries and criminal proceedings

If the Managers agree in writing, or the Board of the Shipowners' Club in its discretion decides in *Your* favour, then *You* may recover the reasonable costs and expenses of protecting *Your* interests at formal inquiries into a *casualty* and the reasonable costs of defending criminal proceedings brought against *Your* Master, *seafarers* and agents, if *You* have a responsibility for them.

Mitigation costs

When an *incident* arises which will or is likely to lead to a *claim* under this policy, *You* are required to take reasonable steps to mitigate the loss and minimise the amount which would be paid as a *claim* under this insurance. *We* will reimburse the reasonable costs and expenses *You* incur for this purpose.

Passengers whilst off the vessel

If *Your* vessel's itinerary includes locations and activities ashore or other places where *passengers* disembark temporarily and *You* remain responsible for them, *Your* liabilities are covered, provided *You* have notified the Managers and they have confirmed in writing. *You* are also covered for liability arising from *seafarers*, *passengers* or others crossing gangways, pontoons or walkways in connection with services *You* are providing.

Personal effects

Claims for loss of or damage to *personal effects*. The maximum amount payable for a *seafarer's personal effects* will be limited to US\$ 5,000 per person, per *claim*.

Piracy

You remain covered for any of the *claims* listed here under 'Your cover' which arise following acts of piracy against *Your* vessel. Please note *Our* exclusion in respect of kidnap and ransom demands contained in 'What is not covered (exclusions)'

– exclusion 11 below.

Pollution and environmental liabilities

Pollution from *Your* vessel, including the cost of clean up and reasonable measures taken to prevent an imminent risk of *pollution*. For damage or contamination to property belonging wholly or in part to *You*, *You* shall have the same rights of recovery and *We* shall have the same rights as if such property belonged to different owners.

You are also covered for damage to coral reefs and other sensitive marine environments providing these occur as a result of an identifiable event.

SCOPIC

We also provide cover for *Your* *SCOPIC* liabilities when salvors choose to use *SCOPIC* with the Lloyd's Open Form (LOF).

Seafarers, Passengers and others

Claims from *Your* seafarers, passengers or others to pay damages or compensation for personal injury, illness and death. Related medical costs and other expenses are covered, too.

Death and/or disability payments *You* provide under individually negotiated and agreed Seafarers' Employment Agreements (SEAs) or crew contracts so long as contractually agreed payments are reasonable and appropriate for the duties and position held by the seafarer when viewed against the prevailing compensation regime.

Special Cover

We may agree to provide cover against special or additional risks. The terms of any special cover will be as agreed by *Us* in writing.

Stowaways refugees and life salvage

Costs and expenses arising from stowaways, refugees and the saving of life at sea.

Swimming and Snorkelling

Claims arising from swimming and snorkelling.

Tenders

Claims arising from the use of *tenders* are covered, providing these arise from activities connected with *Your* vessel.

Towage

Claims arising from towage of *Your* vessel when entering, leaving or manoeuvring within port, or in an emergency. *We* also cover *Your* liabilities arising from providing emergency towage assistance to other vessels.

Uninsured or underinsured vessels

If an uninsured or underinsured third party vessel is responsible for *You*, *Your seafarers* or *Your passengers* or others sustaining personal injury, illness or death whilst on board *Your* vessel, *We* agree to meet in the first instance any medical, funeral or other expenses which are not recoverable as a result of the third party vessel being *uninsured or underinsured*.

The limit of cover under this section is US\$ 5,000,000 per *incident*.

War risks

We pay *war risks* P&I *claims*.

The limit of cover under this *war risks* section is US\$ 500,000,000 each vessel, any one *incident*.

If *You* have no other war risks insurance policy in place, *Your deductible* for *war risks* P&I *claims* under this section is the *deductible* shown on *Your* Certificate of Insurance.

If *You* have purchased a *war risks* P&I policy from another insurer, *Your deductible* shall be the amount *You* can recover under *Your war risks* P&I policy with that other insurer.

Wreck removal

Wreck removal, marking or lighting costs which are compulsory by law following the loss of *Your* vessel including *claims* for the *extra cost and expenses* of removing property which is or was carried on board. *We* also cover voluntary wreck removal of *Your* vessel from somewhere *You* own or lease when no wreck removal order was made.

The residual value of any property recovered shall be deducted from or offset against *Your claim*.

What is not covered (exclusions)

We do not pay *claims* for or arising from the following. These exclusions override anything to the contrary provided in your insurance cover.

1. **Chartering.** This policy does not insure *You* when *You* act as a time or voyage charterer of vessels which *You* do not own and it does not insure the liabilities of *Your* charterers, unless they are a bareboat charterer who *We* have agreed to name on *Your* policy.
2. **Contractual liabilities and indemnities** other than those recoverable under the 'Contractual liabilities and indemnities' and 'Seafarers, passengers and others' sections of *Your* policy.

This exclusion shall not operate to exclude losses otherwise recoverable, arising under: 'What is not covered', 30.3 of your policy, or, your Bio-Chemical Extension Clause.

General conditions

Assignment and Subrogation

You cannot assign *Your* policy to any other person other than with *Our* prior written approval.

If *We* make a payment to *You* or any joint Member or Co-Assured under this policy, or under any Security *We* have given, and *You* the joint Member and Co-Assured have any rights to claim against a third party that are connected to the payment *We* make, then *We* will be subrogated to all of those rights to the extent of *Our* payment, including any interest and costs. *You* and the joint Member and Co-Assured agree to take any steps that *We* reasonably require to this end.

Claims

If a *claim* is made against *You*, *You* must follow the *claims* handling procedure set out at the end of this document. If *You* fail to do so *Your* ability to *claim* may be affected.

Classification, Certifying Authority and flag State

Your vessel must comply with all statutory requirements of its flag State and SOLAS, as applicable, and maintain and comply with all requirements of the classification society or certifying authority that it had at the time *We* agreed to insure it. Subject to the provisions of the Insurance Act 2015, *We* will not pay any claims arising during such time as *You* have failed to comply with this general condition, even if *Your* failure to comply has not increased the risk of any loss.

Complaints

We take all complaints seriously. If *You* are dissatisfied with Our handling of *Your* claim or any other aspect of *Your* insurance or the service *We* provide, please contact Us. Our complaints handling policy is detailed on Our website at: www.shipownersclub.com/other/complaints-handling-policy

Cyber

~~A claim arising or alleged to have arisen in whole or part from any computer, computer system, computer software programme, malicious code, computer virus or process or any other electronic system is capable of cover so long as such claim is not otherwise excluded under this policy.~~

Explanation

See the explanation for new exclusion 'Cyber Risks' under 'What is not covered'.

Deductibles

Your entitlement to make a claim is subject to the *deductible* that appears on *Your* Certificate of Insurance. If a single *incident* gives rise to a number of claims with different *deductibles* then the total of all *claims* will be subject to the highest *deductible* that applies to any one of the *claims*.

Discretionary Claims

The Board of the Shipowners' Club has discretion to pay a *claim* in whole or in part for any liabilities or expenses which are not covered under this policy or any contract that *We* have with *You*, so long as they are related to owning and operating *Your* vessel.

Dispute resolution

If any dispute arises out of or in connection with *Your* Policy or any contract with *Us*, then such dispute will in the first instance be referred to the Board of the Shipowners' Club for adjudication. If the Board of the Shipowners' Club decides to waive its right to adjudicate or if it finds against *You* then the dispute will be referred to arbitration in London, one arbitrator to be appointed by *Us*, one by *You*, and a third to be appointed by the arbitrators. The reference to arbitration and the arbitration proceedings themselves will be subject to the provisions of the Arbitration Act 1996 and any statutory modification or re-enactment of the Act.

Fair Presentation

You have a duty to make a fair presentation of the risk, by disclosing all material facts which *You* know or ought to know or, failing that, by giving *Us* sufficient information to put *Us*, as a prudent insurer, on notice that *We* need to make further enquiries in order to reveal material circumstances. If *You* fail to do so *Your* ability to recover a *claim* from *Us* may be prejudiced.

Governing law

We agree that *Your* policy and *Your* Certificate of Insurance is governed by and will be construed in accordance with English law. In particular, they are subject to and incorporate the provisions of the Marine Insurance Act 1906 and the Insurance Act 2015 and all amendments thereto except to the extent that such Act or modification may have been excluded by this policy or any contract of insurance between *Us* and any insured party. It is not intended that rights should be acquired by any third party by reason of the Contracts (Rights of Third Parties) Act 1999 or any similar legislation in any jurisdiction.

Joint Members and Co-assureds

If *We* issue a Certificate of Insurance in the name of more than one person or company, those additional parties will be known as joint Members. Joint Members are bound by all the terms and conditions of *Your* policy and Certificate of Insurance and each of them are individually responsible for paying all premium and any other sums due to *Us* under *Your* policy and are bound by all of the terms and conditions of *Your* policy and *Your* certificate of insurance. If *We* make payment to, or on behalf of, any joint Members for any amount due under *Your* policy, *We* will make no further payment to any person, including *You*, in relation to the amount that was due.

If *We* issue a Certificate of Insurance naming a Co-Assured then *We* agree to extend cover to that named Co-Assured, but only if: the named Co-Assured is held responsible for a claim which is properly *Your* responsibility and for which *You* would have been able to recover from *Us* under this policy, had that claim been made and enforced against *You*. If *You* have a contract with a named Co-Assured, *Your* responsibility means *Your* responsibility as agreed in that contract.

If *We* make a payment to, or on behalf of, a named Co-Assured for a *claim* then, in relation to that *claim* *We* will not make payment to any other person, including *You*, and *We* agree to waive *Our* rights of subrogation, if any, against the named Co-Assured.

If there is a failure by any joint Member or co-assured to comply with the 'Fair Presentation' section of *Your* policy or if the conduct of any joint Member or Co-Assured would entitle *Us* to decline a *claim*, then *We* will treat such failure and/or conduct as extending to all insureds.

If more than one person is named on the Certificate of Insurance *We* will treat an act, omission, statement or a *claim* by any one of those persons as an act, omission, statement or *claim* by all of them.

We direct all correspondence to *You* and *You* receive it on behalf of all Insureds.

Lay-up

If *Your* vessel has been laid-up for six months or more outside its usual seasonal trading pattern, *You* must give *Us* notice that the vessel will be reactivated no less than seven days before the vessel leaves its place of lay-up. When *We* receive notice from *You* *We* may appoint a surveyor, at *Your* cost, to inspect the vessel on *Our* behalf and *You* must provide *Your* full cooperation to this end. *You* must comply with any recommendations that *We* make following such an inspection. *We* do not pay any *claims* arising after *You* have failed to comply with any requirement of this general condition, until *You* have complied with all requirements of it, subject always to the provisions of the Insurance Act 2015. In no case do *We* pay claims which arise out of defects identified during such an inspection.

We do not return premium for periods of lay-up. Premium is on the basis of cancelling returns only.

Premium

Your insurance premium will be fixed annually and no further premium will be payable, unless *You* ask *Us* to extend *Your* insurance cover or the material facts upon which *We* base the cover change. *You* must pay *Your* premium in such instalments and on such dates as *We* have specified. Premium is not considered paid until received by *Us*.

Reinsurance

We have the right to agree contracts of reinsurance relating to *Your* insured vessel(s) with insurers of *Our* choice, on terms as agreed between *Us* and those other insurers.

Security

Where *We* consider it appropriate and necessary *We* may provide letters of undertaking, bonds or

bank guarantees on *Your* behalf, as security for covered claims providing *You* have paid *Your* premium and any claims deductible which is due to *Us*.

Severability clause

In the event that a court or tribunal finds any part of this policy to be unenforceable, invalid or to be in conflict with any mandatorily applicable statute or law, or public policy, such part shall be severed and such a finding shall not affect the enforceability, validity or legality of the remainder of the policy, which shall remain in full force and effect.

Shared Ownership

If the Master or any *seafarer* is also the owner or part-owner of an insured vessel, the liability shall, in relation to *claims* arising from the act or omissions of such person in his capacity as master or *seafarer*, be assessed as if such Master or *seafarer* was not the owner or part-owner.

Surveys & Management Audits

We may at any time appoint a surveyor, at *Our* cost, to inspect *Your* vessel. *We* may also wish to perform a management audit of *Your* shore side operation. *You* must provide full cooperation as may be required for such inspection or audit, and comply with all recommendations as the Managers may make as a result of it.

Surveys & Management Audits: Follow-ups

We may arrange a follow up survey, at *Your* cost, to check that *You* have complied with all recommendations identified in an inspection or audit.

Termination and cancellation

Termination by notice

Either *We* or *You* may terminate this policy by notice at noon GMT on the renewal date of any year by giving not less than 30 days written notice.

We may terminate the entirety of cover under *Your* policy by notice for each and every vessel insured, in the following circumstances:

- should any of *Your* insured vessel(s) be used, in *Our* opinion, for a prohibited or unlawful activity or trade; or
- should any of *Your* insured vessel(s) or their activities, in *Our* opinion, expose the Shipowners' Club or its Managers to *sanctions risks*; or
- upon 30 days written notice given by *Us* to *You*; or

We may terminate cover for *war risks* by notice for each and every vessel insured upon written notice by *Us* to *You* to discontinue *war risks* cover, with cancellation becoming effective on no less than the expiry of 7 days from midnight on the day on which *We* issue notice of cancellation.

The effect of *Your* policy being terminated by notice also extends to joint Members and Co- Assureds. Subject to the 'Automatic termination' and 'Cancellation' provisions of this policy, the effect of *Your* policy terminating by notice is that *You* will remain liable for premium under *Your* policy and for any other sums due to *Us* except that, *You* will be entitled to a daily pro rata return of premium for sums paid, if any, from the date of termination until the expiration of *Your* policy. Likewise, subject to the above Exclusion 19 'Sanctions', *We* pay claims for events that arose prior to the date of termination but *We* will not pay *claims* arising from events after the date of termination.

Automatic Termination

Your policy for any of *Your* vessel(s) will automatically terminate for that vessel upon the date shown on *Your* Certificate of Insurance or upon the happening of any of the following: the sale or transfer

of *Your* vessel; a change of beneficial owner(s); upon the mortgage of *Your* vessel; the appointment of new managers; *Your* vessel becoming an actual or constructive total loss; *Your* vessel no longer being classed with the classification society or certifying authority that it was at the time *We* agreed to insure it; should *Your* vessel(s) or their activities, or any named insured expose the Shipowners' Club or its Managers to *Sanctions risks*; should *You* or *Your* insured vessel be *designated* by any State where the association or its Managers have their registered offices or permanent places of business or by any State being a *Major Power* or by the United Nations or the European Union.

Your insurance for all vessel(s) will automatically terminate upon the happening of any of the following: an Insolvency event; if *You* are an individual, upon *Your* death or upon *You* becoming incapable by reason of mental disorder of managing or administering *Your* property and affairs.

The insurance which *We* provide *You* for *war risks* will automatically terminate upon the happening of either of the following:

- should war break out between any of the following countries: the United Kingdom, the United States of America, France, the Russian Federation and the People's Republic of China; or
- should *Your* vessel be requisitioned either for title or use

The effect of *Your* policy being automatically terminated is the same as for termination by notice except that *We* do not pay claims for events arising after the date of automatic termination, other than *claims* arising from *Your* vessel becoming an actual or constructive total loss thereby triggering automatic termination.

Cancellation

If *You* fail to pay premium in such installments and on such dates as are agreed by *Us*, *We* may serve notice in writing requiring *You* to make payment by a specified date. If *You* fail to make payment in full on or before the specified date *We* shall immediately cancel *Your* insurance. If *We* cancel *Your* insurance *You* must pay all premium due up to the date of cancellation. *We* will not pay *claims* for events arising on or after the date of cancellation.

We will not pay *claims* for events arising before the date of cancellation if premium was owing at the time the event arose and remained unpaid at the date of cancellation.

The earlier *We* are involved the better. *You* are required to act prudently and as if *You* are uninsured until such time as *We* have taken over the handling and management of the incident.

When reporting a *claim* it will help *Us* if *You* include *Your* vessel's name, the incident date, the nature of the *incident*, the location of *Your* vessel and location of the *incident* (if different). If an injury or collision is involved *You* may be required to notify the appropriate authorities.

We have the right to handle, settle or compromise *claims* or proceedings as *We* see fit. *We* may appoint lawyers, surveyors or other persons when *We* consider these are necessary. They may report to *Us* and provide documents or information to *Us*, without prior referral of these matters to *You*.

When it is possible for a vessel owner to limit their liability at law, that sum becomes the maximum amount recoverable under this policy and will apply regardless of whether *We* insure *You* as the owner of the vessel or in some other capacity.

You must not admit liability for any *claim* and *You* must not settle a *claim* without *Our* prior approval. *You* must also preserve any rights *You* may have to limit *Your* liability and any rights *You* may have against any third party. *You* must also promptly notify *Us* of every event or matter which is likely to give rise to a *claim*, provide *Us* with any relevant information or documents and permit *Us* access to any persons employed by *You* who *We* consider likely to have knowledge of the event or matter. If *You* admit liability, settle or fail to preserve *Your* limitation rights or take any action that encourages or results in a claim being made against *You*, or fail to promptly notify or provide information or access to *Your* employees, *Your claim* may be rejected or reduced. If *We* pay the claimant, *You* or *Your* nominated broker, manager, agent or some other person whom *You* nominate, *Our* liability shall be fully discharged.
