

## **Notice of Alteration to the Terms and Conditions of Insurance**

TO ALL MEMBERS

**9 February 2022**

NOTICE IS HEREBY GIVEN that for all Rules based entries with the Association, the Marine Cyber Risks Exclusion contained in Rule 25, paragraphs 4-6, applies, but only to uncertified Malicious Cyber liabilities. Cover therefore remains available for certified Malicious Cyber Risks up to your Cover limit.

NOTICE IS HEREBY GIVEN that for all plain language entries with the Association, the Cyber Risks Exclusion, under 'What is not covered (exclusions)' in your liability insurance policy applies, but only to uncertified Malicious Cyber liabilities. Cover therefore remains available for certified Malicious Cyber Risks up to your Cover limit.

For the purposes of this Notice, certified Malicious Cyber Risks are direct liabilities the Club would respond to under certificates of financial guarantee (i.e. blue cards).

This amendment will be effective from 20 February 2022.
