SPECIALIST OFFSHORE PACKAGE 2020/21

BASIC

The protection we provide

This package of cover insures *You* against liability claims which may be made against *You* as a result of owning or operating a vessel. It provides cover additional to *Our* Club Rules and incorporates all of the terms and conditions of those Rules, unless they cease to apply because *We* have given *You* this additional cover.

Any limitations, amendments or endorsements which form part of *Your* Certificate of Insurance also apply to this additional cover.

Additional Cover

We agree to extend the cover *We* provide to *You* to include liabilities, costs and expenses arising from any of the following:

1.0 Liability arising under indemnities and contracts

You are covered for contractual indemnities and other contractual liabilities *You* agree to when *You* charter or hire *Your* vessel to others and claims are made against *You* due to any of the following:

1. Loss of life, personal injury or illness.
2. Loss or damage to cargo or property, including property in *Your* care, custody or control.
3. Pollution.
4. Waiver of right to limit liability.
5. Removal of wreck or debris arising from a *Casualty*.

You have the additional benefit of the following:

Naming of Co-assureds

If *We* agree to name a *Co-assured*, in accordance with Rule 41 2 (c) then that *Co-assured* shall be entitled only to recover for liabilities, costs and expenses which are *Your* responsibility and would, if borne by *You*, be recoverable by *You* from *Us*. If *You* have a contract, then *Your* responsibility is *Your* responsibility under the terms of the contract.

2.0 Marine Employers Liability Cover

Seafarers and other persons

You are insured for *Your* liability to seafarers, or other persons for whom *You* have a responsibility, where they are working;

- a) on board vessels which *You* do not own, providing such work is of a temporary nature.
- b) on or from offshore structures which *You do not own, for periods not exceeding 48 hours.*

We will also cover liability claims made against *You* as a result of the presence of these personnel aboard these vessels or structures, providing *We* have been notified in advance and *We* have seen and approved any related contracts or indemnities.

Seafarers' Detention Response

In the event that a seafarer is detained by the authorities whilst in service to the entered vessel, *We* will arrange for *Our* nearest representative to assist. This service is available worldwide, 24 hours a day and 7 days a week and is provided regardless of the reported grounds for detention.

3.0 Specialist operations and incidental salvage

You are insured for claims arising from specialist operations which would otherwise be excluded by Club Rules, Rule 28.3 A. Insured activities include amongst other things: blasting, construction, installation, decommissioning and maintenance work, core sampling and depositing of spoil. This includes claims made by the party who engaged *You* to do the work as well as any other person. *You* are also insured for liabilities, costs and expenses arising from salvage operations *You* undertake as part of contractually agreed services or scope of works, when these activities are considered to be incidental to the main scope of works described in the contract.

Claims under this Section 3, arising in respect of the following, are excluded:

- 3.1 Loss of or damage to or the removal of any *contract works* or any pollution arising therefrom.
- 3.2 *Your* failure to perform specialist operations.
- 3.3 The fitness for purpose and quality of *Your* work, products or services.
- 3.4 Liabilities in respect of dredging, cable or pipe-laying or well stimulation.

4.0 Unmanned Underwater Vehicles (UUVs) including Remotely operated vehicles (ROVs)

You are insured for liabilities and related costs and expenses which would otherwise be excluded by Club Rules, Rule 28(6).

Any loss of, damage to, and cost of raising or removing of a UUV itself (or any part of it or any equipment on it), is excluded unless caused by a *Casualty*.

5.0 War risks

In respect of the risks contained in this additional cover, *You* are insured for liabilities, costs and expenses arising out of war risks which would otherwise be excluded by Club Rules, Rule 25.

If *You* have no other war risks policy, then *Your* deductible for war risks P&I claims under this section is the deductible shown on *Your* Certificate of Insurance.

If *You* have purchased a war risks P&I policy from another

insurer, *Your* deductible shall be the amount *You* can recover under *Your* war risks P&I policy with another insurer.

There is no cover for war risks liabilities arising directly or indirectly from any of the following: chemical, biological, bio-chemical or electromagnetic weapon;

the use or operation, as a means of inflicting harm, of any computer virus except that this exclusion shall not operate to exclude losses (which would otherwise be covered under the terms of this cover) arising from the use of any computer, computer system or computer software programme or any other electronic system in the launch and/or guidance system and/or firing mechanism of any weapon or missile;

or requisition for title or use

We may cancel the War Risks Cover by giving 7 days' notice of cancellation at any time.

War risks cover will terminate automatically should war break out between any of the following countries: The United Kingdom, the United States of America, France, the Russian Federation and the People's Republic of China. No claims are payable arising out of such outbreak of war.

What is not covered

This package of cover is subject to certain exclusions. *We* do not pay claims for or arising from the following:

1. Those which can be recovered under Club Rules.
2. Waste incineration or waste disposal operations.
3. Liabilities and expenses that arise out of or during drilling or production operations as described under Club Rules, Rule 28.2.
