FISHING PERSONAL ACCIDENT COVER

ENHANCED

Important notice: this is an optional cover which is not intended to be a substitute for compulsory state personal accident and/or compensation schemes.

This Personal Accident insurance policy is a contract between the insurer and the Assured and is made up of:

- The current Certificate of Insurance which includes the schedule of compensation.
- Any endorsements or extensions to the Certificate of Insurance.
- The scale of permanent disabilities by *accident*.
- The terms and conditions herein.

Section I: Accident, illness and disablement

The insurer hereby agrees with the Assured, to the extent and in the manner herein provided, that if the insured person sustains *bodily injury*, or suffers *illness* during the period of this insurance, the insurer will pay to the Assured, or to the Assured's executors or administrators, in accordance with the schedule of compensation, after the total claim shall be substantiated under this insurance.

Provided always that:

1. a. Compensation shall not be payable under more than one of the included items in the schedule of compensation in respect of the consequences of one *accident* or of one *illness* to any one insured person.
 - b. No weekly compensation shall become payable until the total amount thereof has been ascertained and agreed. If, nevertheless, a weekly compensation payment be made under item 3 of the schedule of compensation (*temporary total disablement as a result of accident*) or item 6 of the schedule of compensation (*temporary total disablement as a result of illness*), the amount so paid shall be deducted from any lump sum becoming claimable in respect of the same *accident* or *illness*.
 - c. Under item 3 of the schedule of compensation (*temporary total disablement as a result of accident*) and item 6 of the schedule of compensation (*temporary total disablement as a result of illness*), the amount payable will be limited to 100% of the insured person's usual gross weekly income.
2. The total sum payable under this insurance of any one or more claims in respect of any one insured person shall not exceed, in all, the largest sum insured under any one of the included items contained in the schedule of compensation or added to this insurance by endorsement.
 3. If an *accident* causes the death of the insured person within 12 months following the date of the *accident* and prior to the definite settlement of the compensation for disablement provided for under item 2 of the schedule of compensation (permanent disablement), there shall be paid only the compensation provided for in the case of death.
 4. No claim shall be payable under included items 4 of the schedule of compensation (total and irrecoverable loss of sight of both eyes due to *illness*) or 5 of the schedule of compensation (*permanent total disablement* by paralysis due to *illness*) should *illness* cause the death of the insured person within 12 months of that *illness* declaring itself.
 5. Compensation shall only be payable under included items in the schedule of compensation if:
 - a. Under item 1 (accidental death), death occurs within 12 months of the *accident*.
 - b. Under item 2 (permanent disablement), loss occurs within 12 months of the date of the *accident*.
 - c. Under items 4 (total and irrecoverable loss of sight of both eyes due to *illness*) or 5 (*permanent total disablement* by paralysis due to *illness*), loss occurs within 12 months of *illness* declaring itself.
 - d. Under items 3 (*temporary total disablement as a result of accident*) and 6 (*temporary total disablement as a result of illness*), the insured person becomes totally disabled within 12 months of the date of the *accident*, or of the *illness* declaring itself. Disablement payments last for a maximum of 12 months.

Exclusions (applicable to all cover)

This insurance does not cover death or disablement directly or indirectly arising out of, or consequent upon, or contributed to by:

1. War, invasion, acts of foreign enemies, hostilities (whether war be declared or not), civil war, rebellion, revolution, insurrection, or military or usurped power.
2. Radioactive contamination.
3. The insured person engaging in or taking part in:
 - a. Naval, military or air force service or operations.
 - b. Rock climbing or mountaineering normally involving the use of ropes or guides, potholing, hang gliding, parachuting, hunting on horseback, or driving or riding in any kind of race.
 - c. Driving or riding on motor cycles.
4. The insured person engaging in *air travel* except as a passenger in a properly licensed aircraft being operated by a licensed commercial air carrier or owned and operated by a commercial

concern.

5. Suicide or attempted suicide or intentional self-injury or the insured person being in a state of insanity.
6. Deliberate exposure to exceptional danger (except in an attempt to save human life), or the insured person's own criminal act, or the insured person being under the influence of alcohol or drugs (other than drugs prescribed to the insured person by a qualified medical practitioner).
7. Regardless of any contributory cause(s), this insurance does not cover any claim(s) in any way caused or contributed to by an act of terrorism involving the use or release or the threat thereof of any nuclear weapon or device or chemical or biological agent.

For the purpose of this exclusion an act of terrorism means an act, including but not limited to the use of force or violence and/or the threat thereof, of any person or group(s) of persons, whether acting alone or on behalf of or in connection with any organisation(s) or government(s), committed for political, religious, ideological or ethnic purposes or reasons including the intention to influence any government and/or to put the public, or any section of the public, in fear. If the insurer alleges that by reason of this exclusion any claim is not covered by this insurance the burden of proving the contrary shall be upon the Assured.

Conditions (applicable to all cover)

1. If an insured person shall regularly engage in any occupation, sport, pastime or activity in which materially greater risk may be incurred than disclosed in connection with this insurance without first notifying the insurer and obtaining their written agreement to the amendment of this insurance (subject to the payment of such additional premium as the insurer may reasonably require as the consideration for such agreement), then no claim shall be payable in respect of any *accident* or *illness* arising therefrom.
2. If the consequences of an *accident* shall be aggravated by any condition or physical disability of the insured person which existed before the *accident* occurred, the amount of any compensation payable under this insurance in respect of the consequences of the *accident* shall be the amount which it is reasonably considered would have been payable if such consequences had not been so aggravated.
3. Notice must be given to the insurer as soon as reasonably practicable of any *accident* or *illness* which causes or may cause disablement within the meaning of this insurance, and the insured person must as early as possible place himself under the care of a duly qualified medical practitioner.

Notice must be given to the insurer as soon as reasonably practicable in the event of the death of an insured person resulting or alleged to result from an *accident*.

It is a condition precedent to insurer's liability to pay compensation to the Assured or his representatives, that all medical records, notes, and correspondence referring to the subject of a claim or a related pre-existing condition shall be made available on request to any medical adviser appointed by or on behalf of the insurer and that such medical adviser or advisers shall, for the purpose of reviewing the claim, be allowed so often as may be deemed necessary to make examination of an insured person.

4. If the Assured makes a fraudulent claim under this insurance contract, the insurer:
 - a. Is not liable to pay the claim.
 - b. May recover from the Assured any sums paid by the insurer to the Insured in respect of the claim.
 - c. May by notice to the Assured treat the contract as having been terminated with effect from the time of the fraudulent act.
5. If the insurer exercises its right under clause (4) (c) above:
 - a. The insurer shall not be liable to the Assured in respect of a relevant event occurring after the time of the fraudulent act. A relevant event is whatever would otherwise have given rise to the insurer's liability under the insurance contract (such as the occurrence of a loss, the making of a claim, or the notification of a potential claim).
 - b. The insurer need not return any of the premiums paid.

Fraudulent claims - group insurance

6. As this insurance contract provides cover for persons who are not a party to the contract ('insured persons'), should a fraudulent claim be made under the contract by or on behalf of an insured person, the insurer may exercise the rights set out in clause (4) above, as if there were an individual insurance contract between the insurer and the insured person. However, the exercise of any of those rights shall not affect the cover provided under the contract for any other person.

Nothing in these clauses is intended to vary the position under the Insurance Act 2015.

Definitions (applicable to all cover)

When used in this policy, the following words have a special meaning assigned to them, as follows:

Accident means a sudden, unexpected, unusual, specific event which occurs at an identifiable time and place, but shall also include exposure resulting from a mishap to a conveyance in which the insured person is travelling.

Air travel means being in or on or boarding an aircraft for the purpose of flying therein or alighting therefrom following a flight.

Bodily injury means identifiable physical injury which:

- a. Is caused by an *accident*.
- b. Solely and independently of any other cause, except *illness* directly resulting from, or medical or surgical treatment rendered necessary by such injury, occasions the death or disablement of the insured person within 12 months from the date of the *accident*.

In the event of disappearance of the insured person, if after a suitable period of time (and in any event not more than 60 days) it is reasonable to believe death has occurred as a result of *bodily injury*, item 1, will become payable subject to a signed undertaking by or on behalf of the Assured that if the belief is subsequently found to be wrong, such benefit will be refunded to the insurer.

Death or disablement caused as a direct result of exposure to the elements will be deemed to have been caused by *bodily injury* for the purposes of this insurance.

Conveyance limit means the maximum amount which the insurer will pay in respect of *bodily injury* arising from insured persons travelling in the same conveyance. Where this limit is exceeded the liability of the insurer in respect of each insured person travelling in such conveyance will be proportionately reduced until the total does not exceed this limit.

Illness means *illness* of the insured person which declares itself during the period of this insurance and occasions the total disablement of the insured person within 12 months after declaring itself.

Loss of limb(s) means loss by physical separation of a hand at or above the wrist or of a foot at or above the ankle and includes total and irrecoverable loss of use of hand, arm or leg.

Temporary total disablement means disablement which entirely prevents the insured person from attending to his usual business or occupation of any and every kind.

Words in the masculine gender shall include the feminine.

Section II

A: Medical expenses and travel expenses

The insurer will indemnify the Assured in respect of *medical expenses* and *travel expenses* necessarily incurred as a direct result of an insured person sustaining *bodily injury* or contracting *illness* up to the limit as stated for *medical expenses* and *travel expenses* in the Certificate of Insurance.

B: Contingent medical expenses and travel expenses in country of domicile

Following *bodily injury* the insurer will indemnify the Assured in respect of contingent *medical expenses* and *travel expenses* necessarily incurred as a direct result of an insured person sustaining *bodily injury* during the period of insurance up to 20,000 in the currency of the Certificate of Insurance.

Following *illness* the insurer will indemnify the Assured in respect of contingent *medical expenses* and *travel expenses* necessarily incurred as a direct result of an insured person contracting *illness* whilst outside their country of domicile up to the limit of 20,000 in the currency of the Certificate of Insurance.

To be eligible for a claim payment under this *medical expenses* and *travel expenses* section, the insured person must be under a current contract of employment with the Assured. If it is the practice to sign off insured persons on the basis that they are liable to be recalled or employed on another of the Assured's vessels when required, the insurer confirms that this is acceptable for the purposes of making a claim.

Exclusions (applicable to Section II)

Medical expenses and travel expenses

The insurer will not be liable for:

1. Any expenses incurred where a journey is undertaken against the advice of a qualified medical practitioner or for the purpose of obtaining treatment.

Conditions (applicable to Section II: Medical expenses and travel expenses)

2. The prior approval and consent of the insurer and/or any other appointed agent of the insurer must be obtained before *travel expenses* are incurred.
3. If at the time of a loss there is another policy of insurance effected in the Assured's name which provides cover for the event or events as insured within this section, the liability of the insurer will be limited to their rateable proportion of any such loss.
4. Any incident which is likely to result in a claim against this insurance must be reported in writing to the underwriter as soon as reasonably possible and in any event within 60 days of the date of the incident. Failure to comply with this condition may result in the claim being declined by the insurer.

In particular, it is subject to and incorporates the provisions of the Marine Insurance Act 1906 and the Insurance Act 2015 and all amendments thereto except to the extent that such Act or modification may have been excluded by this policy or any contract of insurance between the insurer and any insured party. It is not intended that rights should be acquired by any third party through the operation of the Contracts (Rights of Third Parties) Act 1999 or similar legislation.

Dispute resolution

In the unlikely event that the insurer cannot resolve a complaint satisfactorily, the matter will be referred to arbitration in London, one arbitrator to be appointed by the insurer, one by the Assured and a third to be appointed by the arbitrators. The reference to arbitration and the arbitration proceedings themselves will be subject to the provisions of the Arbitration Act 1996 and any statutory modification or re-enactment thereof.

Material facts

The Assured has a duty to make a fair presentation of the risk, by disclosing all material matters which the Assured knows or ought to know or, failing that, by giving the insurer sufficient information to put the insurer, as a prudent insurer, on notice that the insurer need to make further enquiries in order to reveal material circumstances.
